

Prince Edward Island Certified Beef brand Affidavit

This affidavit must be completed by licensed, cow calf producers, background producers, and feedlot producers who supply cattle to the Prince Edward Island Certified Beef brand.

I, (*producer name*-PRINT) _____

(*Signature*) _____ Date: ____/____/____

Address: _____

City: _____ Province: _____ Postal Code: _____

Premise ID: _____

As an approved: (Put an X in the box for all that apply for the cattle you supply to the brand)

- Cow-Calf Producer (place of birth)
- Backgrounder (only check if cattle grown were not born on premise)
- Feedlot (Finish Cattle only)

Have abided by the following production protocols listed below, to qualify cattle while under my care for the Prince Edward Island Certified Beef brand:

All cattle for the brand must:

- Be born in the Atlantic Provinces and finished on PEI farms
- Be Age Verified and under 30 months of age
- Be fed a ration where 40% of dry matter during the last 100 days comes from grain
- Be fed 500 IU of Vitamin E daily/head during the last 100 days
- Have **NOT** been administered synthetic hormones
- Have **NOT** been administered antibiotics, including Rumensin® and Bovatec®100 days prior to slaughter
- Have a tag score of 3 or less
- Grade AAA or higher
- Be marketed to the Atlantic Beef Products Inc. (ABP)
- Have a carcass weight between 700 - 900 lbs

The seller agrees that if the cattle are not in compliance with the PEICB standards at all levels of production, or the cattle are not sold under the brand, the IBBC is not obliged to pay a premium for these cattle.
